

DANCE COMPANY

Smith's Dance Academy Competition Team & Ambassadors

By Auditioning for Dance Company, I am showing that I understand the level of dedication and commitment required to be part of Dance Company and that I can fulfill those requirements. In addition, I am able and willing to participate with a good attitude in rehearsals, competitions and fundraisers, and that I am able to, and will take into account constructive criticism in the spirit in which it is intended.

Dance Company is not only a commitment for the students , but for the parents as well. There are shows, rehearsals, conventions etc to be paid for and transportation to be arranged. By signing this agreement you as a parent confirm you are willing and bale to travel with your dancer, make sure they are available for all classes, rehearsals, recitals, fundraisers etc, and that you will be an active participant in planning and participating in fundraising.
