REHEARSAL: will be Tue May 8th, and Thur, May 10th, at Woodstock High School. It is very important that all dancers attend rehearsal. Dancers should NOT wear their costume, but will need all their dance shoes. We simply run through each routine and then your dancer will be free to go home. Please have only one family member accompany your dancer to rehearsal, the less distractions we have, the easier it is for all the dancers, especially the younger ones. While at the rehearsal it is very important that all dancers, and family members remain seated in the theatre. Please no running/playing in the school. It is important that dancers arrive on time, the schedule is below:

BACKSTAGE HELP: I need your help! We need helpers for backstage at the recitals. Helpers help change shoes, line classes up and help the recitals run smoothly. Please email Amanda to sign up if you are interested in helping. All helpers receive 1 free recital ticket per half recital they help backstage at.

RECITAL GUIDELINES AND REMINDERS:

1. There is NO smoking on school property. It is extremely important this law is obeyed, otherwise we may not be able to use the school in the future.
2. Dancers performing in the first half of the recital can be checked in 15 minutes prior to the recital start time the “drop off” area. (dancers will be shown this spot at rehearsal.) The backstage assistants, class assistants, Sydney, Kaitlyn, Jarika and myself will be on hand to take your child backstage. Parents are not allowed backstage as we have very limited space. If there are any problems, tears we can't subside etc, I promise we will come find you in the audience.
3. Any dancers who perform in the first half of the recital will be allowed to come back and sit with you at the intermission. Please come meet them at the “drop off” area. Please do not leave at intermission, your dancer will be called back on stage at the end of the recital for the finale and presentations. All other dancers can watch the show until intermission and then come backstage at that point.
4. All dancers should arrive in costume. Dancers performing in the second half of the show should wear something over their costume to cover it up.
5. Dancers are encouraged to take water bottles backstage. No other food or drinks will be allowed backstage.
6. All dancers must wear nude tights on stage. I have nude tights available for purchase for \$12.
7. Please label everything dancers bring backstage with them with their name.
8. One last suggestion: we use a lot of stage lights, and it can make the dancers appear pale on stage. I suggest that all dancers wear a little bit of make-up. Hair style is your choice.

A final note about the recital: be prepared for the unexpected, especially with younger dancers. Dancers who were to shy to dance in front of any one all year can suddenly dance their heart out on stage, and vice versa. You never know how a child may react to all the people, lights etc.

I hope that you are pleased with the recital and the dance year. It has been a pleasure for myself , Sydney and Kaitlyn to teach your children, and share our love of dance with them. I appreciate all feedback, and strive to look for ways to serve you better. You can send me feedback via the web-site at <http://www.smithdanceacademy.com/Feedback.html> . Thank You!
