We are excited to invite your dancer to performance in our SDA cares fundraiser performance! All proceeds will support Team Brody.

Does my dancer have to participate?

No, this is a chance for dancers to get on stage and give back, but we also understand this is a busy time of year!

Can I come watch?

Yes , the performance is open to everyone (family, friends , public) and admission will be by donation (proceeds to Team Brody. The more the merrier!

What should my dancer wear?

Costumes are scheduled to arrive before this date, yay!!

How many dances will my dancer perform in?

All classes will perform 1 dance. So for example if your dancer is in a jazz and ballet class she would perform 2 dances.

We hope your dancer can join us! So that we can plan, please let your dancers teacher know as soon as possible if your dancer will be performing or not. Thank you!

Holiday Open House Dec 20-23

We are excited to invite visitors to join us at the studio for our Holiday open house week.

Some class times will be adjusted for this event, please check the schedule below for your dancers time.

Dancer's costumes are scheduled to arrive before the open house dates and we invite them to wear their costumes to the open house and celebrate in style. If your dancer has multiple costumes, the choice is yours as to which costume you would like them to wear to the open house.

Dancers will not be having regular classes during this event, instead they will be showing you the dances they have been working on up until this point of the year.

As well, we will be doing a small gift exchange between dancers. Please spend no more than \$5 and let me know if you would prefer not to participate.
