

WELCOME TO DANCE!

First Class: MON SEPT 16 / TUE SEPT 17 @

Welcome!

Welcome to dance! Thank you for choosing Smith's Dance Academy. We are so excited to have you and your dancer joining our dance family! We are looking forward to an exciting dance season and the information included should help answer many of your questions about dance classes. We hope this policy book will answer any questions as to why and how we do things the way that we do, you will find answers to a number of commonly asked questions. If there is anything that you or your child does not understand, please do not hesitate to ask us. This is the best way to get the correct answer and avoid the potential for misunderstanding.

Our objective is to provide all students with dance instruction that maximizes their individual potential in an environment that is fun and low stress. All students' progress at a different pace and it is important that you and your child are patient. Becoming frustrated will only hinder the learning process and it will no longer be fun. Each class will challenge the student, because without challenge, there is no sense of accomplishment. Although one student may progress faster than his/her friend, this is not to say that each dancer doesn't have talent...they do.

It is very important that dancers practice on their own time. Class time is not enough. If a student comes to class with an understanding of what was taught the previous week, and is able to execute the movements correctly, then the class will be able to progress as a whole at a faster pace.

As teachers, our goal is not to make professional dancers of everyone, but to see each student learn, grow and progress each year. Not only do the students learn the art of dance, they learn concentration and discipline, how to take direction and to work with others. Then, at the end of the year, they come out on stage and put it all together at the recital. This is an accomplishment and source of pride for everyone involved, including the parents.

Class Time!

Class Etiquette

Dancers are asked to arrive and be ready 5 minutes prior to class.

Please do bathroom breaks before class or when dancers change shoes. A short break is given during the middle of 45 minute and longer classes to change shoes and drink water. Dancers are not permitted to have any food, drinks or water in the studio.

No gum or candy in class, it is a choking hazard.

Please do all bathroom breaks before class begins.

Spectators

To minimize distractions and maximize the amount of time spent on instruction, spectators are not permitted during class, however we understand that parents want to see how their children progress. Parents and family will be invited to observe during the last 5 minutes of the each class. The teacher will open the door when the students are ready to show their accomplishments of the day.

Dress Code

We request that all dancers wear appropriate dancewear for class. Bodysuits, exercise pants, tank tops and t-shirts are acceptable, no jeans. Crop tops must be covered with another shirt, no bare midriffs.

Long hair must be worn up, buns are encouraged.

Tights, leotards, shorts and many other dance wear options are available for purchase at the studio

Shoes

Dancers studying ballet, and/or jazz will need black ballet slippers or jazz shoes.

Dancers studying tap will need black tap shoes.

Dancers studying hip hop will need black ballet slippers or jazz shoes.

Dancers do not need to have shoes for the first class. If you do not have your shoes yet , please wear clean indoor sneakers to class.

For safety reasons , dancers cannot dance in sock feet.

Please ensure you label all your dancers shoes with their name so we can return any misplaced shoes to their owners.

Please do not purchase pink shoes as dancers cannot wear them for the recital or class pictures. When purchasing ballet slippers it is strongly recommended you purchase slippers which have an elastic overtop of the foot, to ensure a secure fit. Ballet slippers must have a leather bottom to allow your child to feel the floor through their shoe. Isotoner type slippers are not ballet slippers or jazz shoes and will NOT be permitted in class, this policy is for your dancers safety. The padding in the bottom of the isotonic slipper type shoe does not allow the dancer to truly feel the floor.

We have new shoes available for purchase at the studio in various and for all dance styles.

Teachers

Teachers should not be interrupted during classes.

ADDITIONAL CLASSES & SERVICES

Birthday Parties

Smith's Dance Academy would be very happy to help your child celebrate their special day! Parties are available at the Woodstock studio. Please see the web-site or contact Amanda for more details.

Dance Company

Dance Company is a competitive dance team that participates at dance conventions, and performs at competitions and festivals. Since this is an extra class, extra fees are charged and additional costumes must be purchased. As well, all Dance Company dancers must be enrolled in a ballet class.

There is a high degree of responsibility and a substantial time commitment placed on the student to prepare for competitions. Dance Company members work hard all year round preparing for competitions and performances and must have above-average dedication and drive, for this is a very demanding and time-consuming activity. They must be able to learn very quickly and accept criticism. Dance Company dancers are "ambassadors" for Smith's Dance Academy and are expected to maintain a high standard of behaviour and professionalism at all events in which they participate.

Dance Company is not only a commitment for the students, but for the parents as well. There are recitals, rehearsals, conventions etc to be paid for and transportation to be arranged.

For more information and audition dates please see the Dance Company page on the web-site.

Private Lessons

Private lessons may be available upon request. Please contact the director for scheduling and availability.
