End of Class Observation

Starting this week we will no longer have parent observation at the end of 15 min add on classes. We will still have observation at the end of all 30 min classes.

- If your dancer needs to change shoes between after a class that has no observation please send them into the studio with them. Please make sure all shoes are labelled with your dancers name, as they all look the same.
- please no bags, boxes, water bottles etc in the studio, they are a hazard while we are dancing,

No gum Please!

Unfortunately every week this session I have had to scrape gum off of the studio or waiting room floor. In light of this , please no gum anywhere in the studio or waiting room. Thank you.
