

Smith's Dance Academy November Newsletter: Woodstock 2011

Hello Everyone!

Just a few quick reminders for November:

Gum & Candy: Is not allowed in class, it is a choking hazard. It can be quite upsetting to some of the little ones when I ask them to spit it out, so I appreciate your help in making sure they do not have gum or candy when entering class.

Bathroom Breaks: Particularly with younger dancers, once one goes they all seem to need to. I appreciate your help in making sure your dancer has had a bathroom break before class begins, so we can avoid disruptions and get the most out of our class time.

November Post-Dated Cheques: November post-dated cheques will be cashed on the 20th.

Snow Days: Just a reminder that if school is cancelled, dance is as well. Any cancellations decided during the day will be announced on CJ104 as well as one the web-site.

Music & Practicing at home : The website is now updated with most classes music selections. Due to copyright issues I cannot make CDs for dancers, however you can find all the music we use on itunes. I strongly encourage dancers to practice at home. The less time we have to use for review each week the more time we have to work on new material and techniques.

Festival of Trees: We will once again be performing at the Big Brothers & Sisters Festival of Trees event. The date is Saturday, Dec 3rd. It is held at the community room of the Civic Center and is a grea chance for dancers to get to perform and help support their community. Please find the schedule below, I encourage you to come out and support all our dancers if you have time!
